Using

LOW ODOUR PAINT

The Paint Quality Institute reports that: *Top Quality Interior Low Odour Paints Are An Excellent Option for Areas To Be Occupied Promptly*

Benefits

- **Essentially No Odour During And After Painting**
- **Occupants of Nearby Rooms Don't Have To Move Because of Odour**
- **Rooms And Offices Can be Occupied Right Away**
 - reduce loss of revenue from non-use of commercial space
 - eliminate inconvenience of residents spending times in other rooms
- **Quality Paint Performance For Walls, Doors, Trim**

Requirements

- **Clean The Surfaces of All Dirt, Mildew, Accumulated Oils, Etc.**
- **Prime as Necessary**
- **Choose Top Quality Interior Low Odour Acrylic Paint in an Appropriate Finish**
 - low sheen for walls and ceilings
 - semigloss for bathrooms and kitchens
 - semigloss or gloss for doors and trim
